The summer tennis program is structured for ALL levels of play. On court training is based on the skill level of the students. From learning the basics of each stroke, knowledge of the game, stroke development and rallying, to developing the ability to simulate actual match play. Occasionally students will participate in Camp tournaments during the day that will involve match play. Students will be instructed by a highly experienced staff, who look forward to seeing everyone in the program. The entire staff at Parkside Tennis Club wishes you a safe and happy summer.

PARENTS PLEASE NOTE: This is an indoor/outdoor camp, students may be required to play outside. We advise that students bring a hat and sunscreen. We have a water fountain, but it may be better to bring a water bottle. In the event of rain, students will rotate between on and off court tennis related activities.
